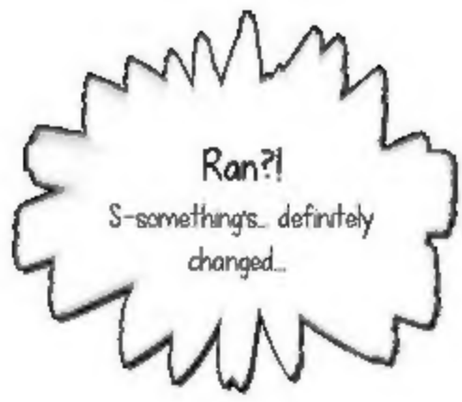
Hey
Ran looks extremely happy.
Th...this kid is...



Ran?!
S-something's... definitely changed...

That's right,

It's all thanks to my amazing education.

Anyway...

Um...

My lil bro!
You idiot! Making me worry! Making me go through all that trouble!
And all that trouble! And then... the trouble!!!
HUG
SOB
Im sorry... sorry...
Unnie, your hardship has come to an end.
You'll be so bored when Ran goes back home

No.

urgh

TIGHT

Heard you had some trouble lol

You have no idea how I raised him.

Definitely no!
Don't you dare think about taking Ran!

Even though you're my younger brother, don't you dare!

No!!

I know you've come to like him, but you know you have no choice.

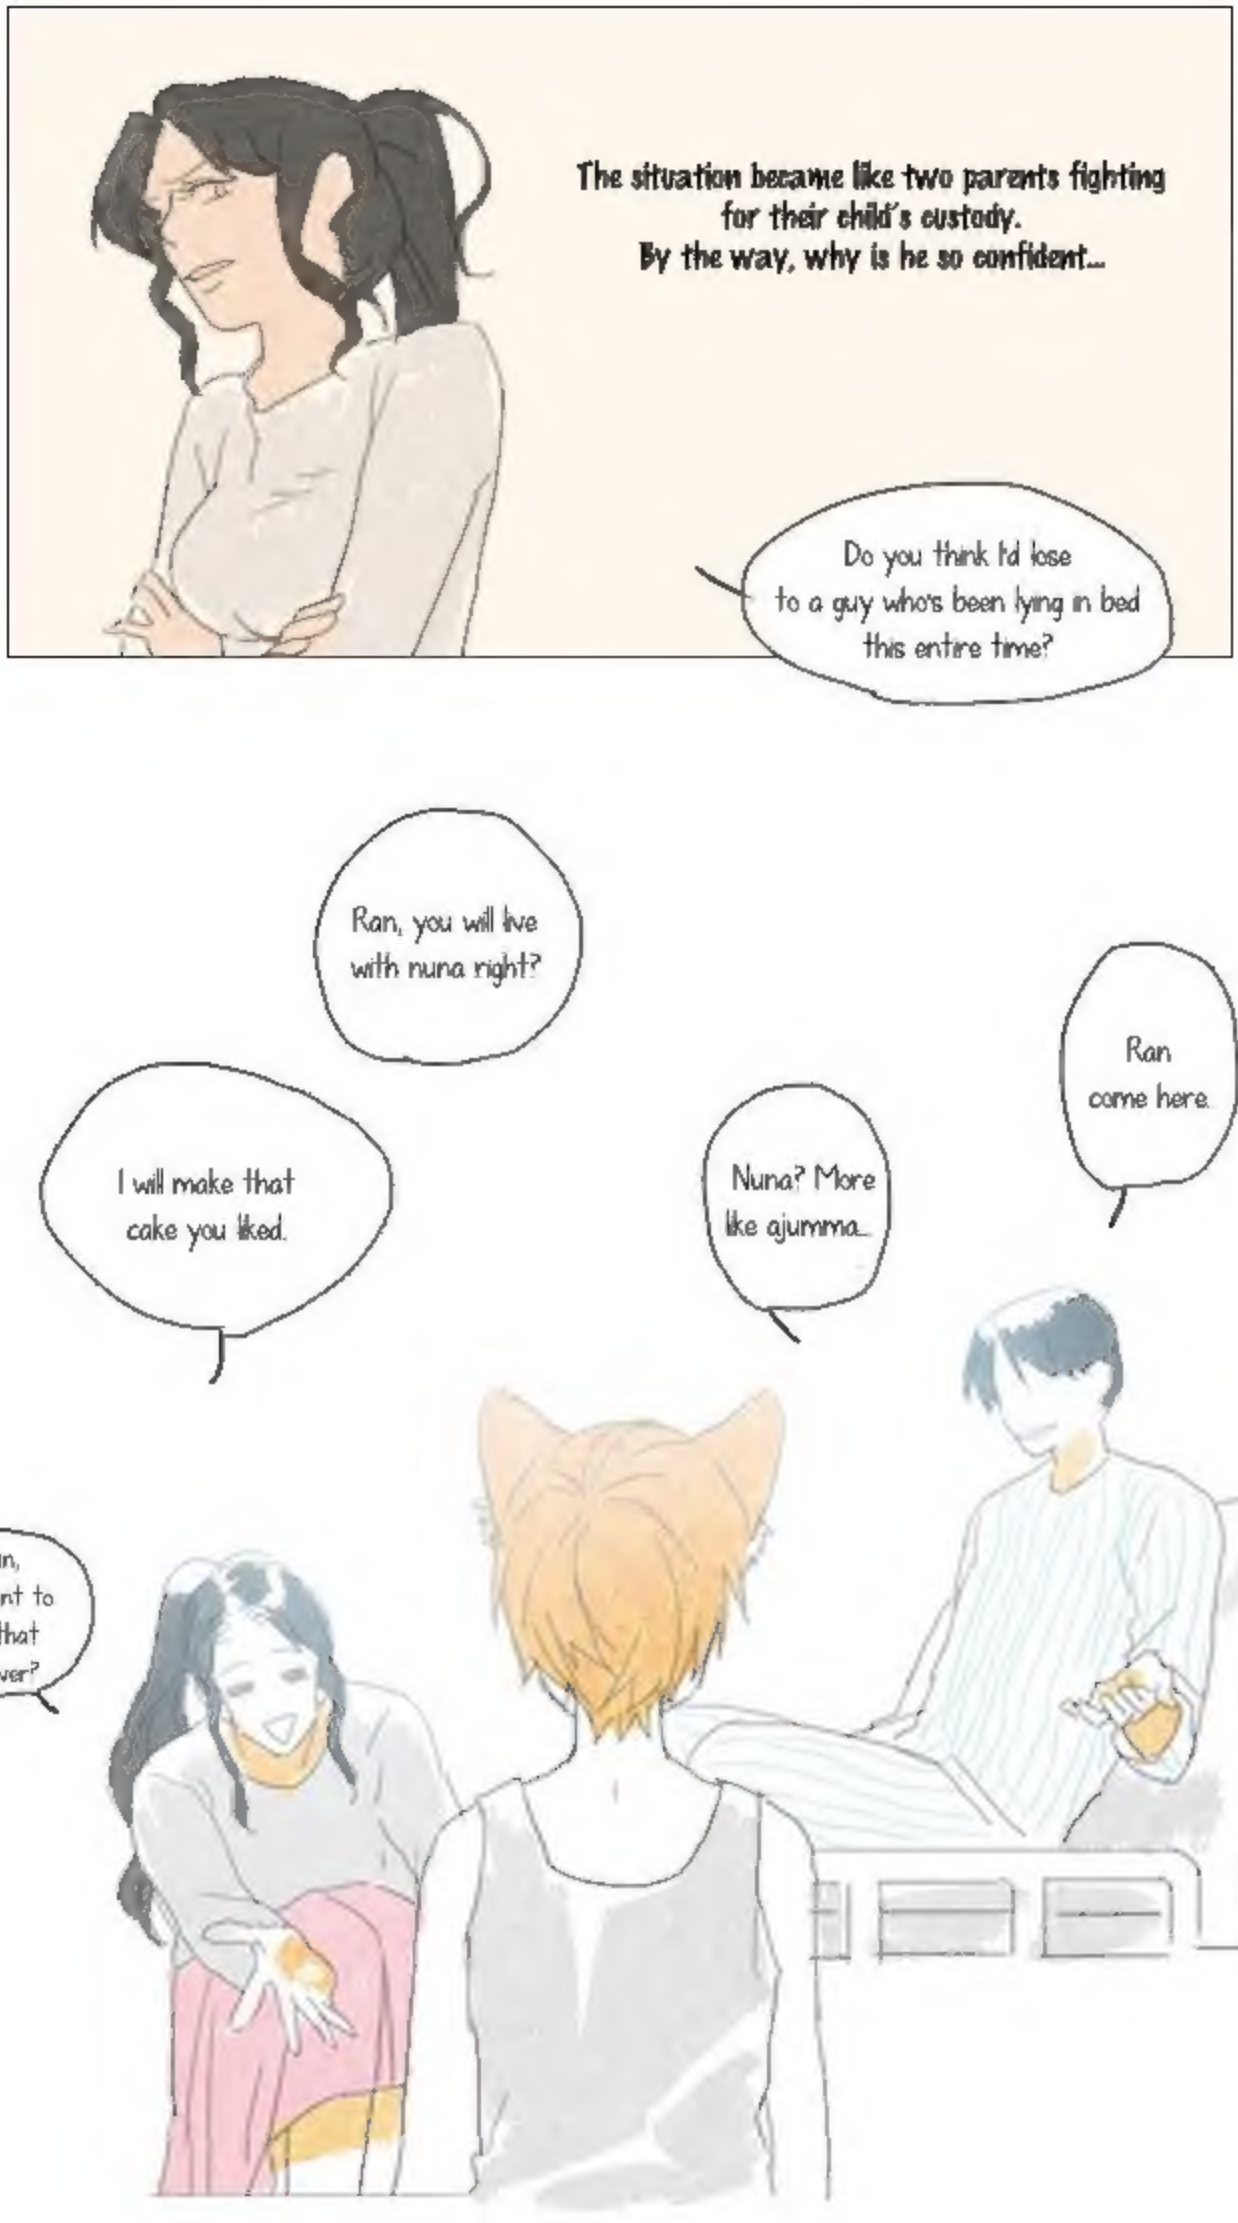
If oppa decides to take him, then...

Meow.

Sigh,
then let's do it this way.

Ran will decide...

...who he wants
to stay with.



The situation became like two parents fighting for their child's custody.
By the way, why is he so confident...
Do you think I'd lose to a guy who's been lying in bed this entire time?
Ran, you will live with nuna right?
I will make that cake you liked.
Nuna? More like ajumma...
Ran come here.
Jaehyun, do you want to stay in that bed forever?

Even though you raised him when he was a cat, it's different now.

Do you really think you can raise him properly?

I'm not sure.

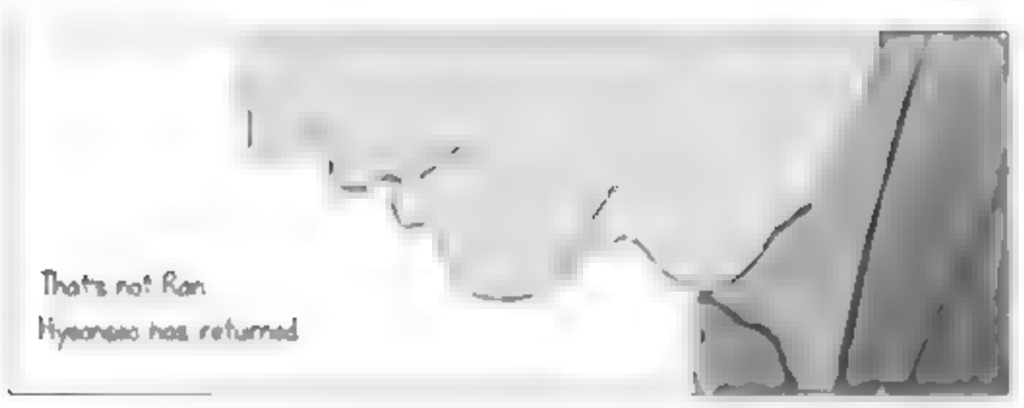
But...

It seems like... Ran likes me...

Meow.

Then he will live at oppa's.
No!

He can't Jaehyun is...



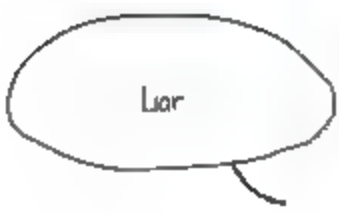
That's not Ran
Hyeonseo has returned

Are you crazy?!
It's been more than
10 years. Just forget about
him!

Don't worry

I know why you're worrying.

But I'll do my best



Liar

Please believe me.

I'm telling you
the truth

Telling me the truth.
Asking me to believe you.
I can say those
things as well

I went through all that trouble.
Yet you decide to go to Jaehyun without any hesitation.

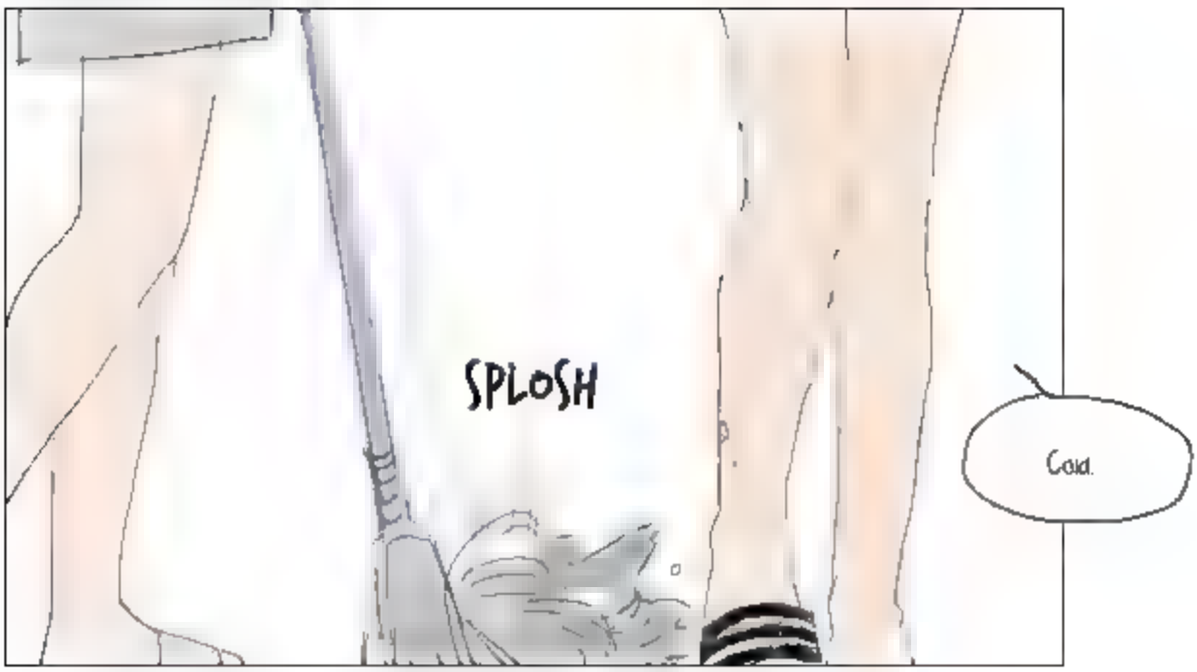
Look at that face. Stop pretending you don't know.

You can still see him sometimes.
The problem now is..

...I
skipped class.

Time has passed,
but not much has changed.

Especially school.

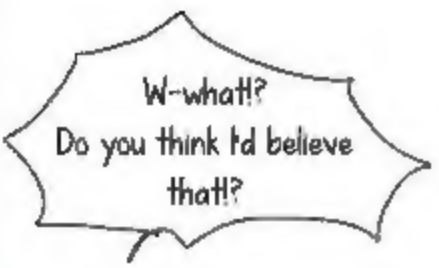


SPLOSH
Cold.

DRIP
DRIP

Oh my Im so sorry~
I didn't see you standing there

Really?
Your eyes must be really bad. No wonder you have a kimchi soup stain on your tie... How unfortunate...



W-what!?
Do you think I'd believe that!?

I was joking.

She doesn't hate me...

I-I was deceived!!

...But it's not like we're friends.

I know it's hard to believe, but they're same person.

There's no way I'd walk around with a kimchi soup stain on my tie...

Hmm,
It's obvious that
Jongsil is the one
bullying her.
But..
doesn't it look like she
wants to be her
friend?
Huh~?

Jongsil doesn't have any
friends and Nayoung is the
only one who talks to her..
Doesn't she have a friend?
That really tall girl-
But didn't they had a
really big fight?
